FREQUENTLY ASKED QUESTIONS

How do I activate my account?

It Works! will automatically create your It Works! Pay Portal account on your behalf. Once your account has been created, a new activation e-mail will be sent containing instructions on how to activate your account.

How do I know when I've been paid?

When you receive a payment, it will automatically be credited to your It Works! Pay Portal account. Each time funds are credited to your It Works! Pay Portal account, you will receive a notification via e-mail or text messaging (SMS), if configured.

Can I transfer funds from It Works! Pay Portal to my bank account and It Works! prepaid card?

Yes. Depending on your program setup, It Works! Pay Portal allows you to transfer funds to your bank account and/or It Works! prepaid card.

Can I transfer funds automatically to my accounts?

Yes. The easiest way to manage your payments is to setup an "Auto Transfer" inside the It Works! Pay Portal. Once setup, each time you receive a payment your funds will automatically be transferred to your registered bank account, prepaid card or other available payment options. You can split the transfer among multiple accounts (ie. 60% of your to your prepaid card and 40% to your bank account).

Can I review my transaction history?

Yes. You can review all your transactions organized in chronological order and see the details of each transaction. Simply click any account balance to view your transactions, set filters to refine your search, or download and save your transactions.
